

Feed My Starving Children

This past December, our Faith church received the most wonderful Christmas present, the gift of service to the children who are fed by the ministry of Feed My Starving Children. (FMSC) Our Faith United Methodist Church was approved as a site to hold a Mini Mobile-Pack event (25,000 meals) on August 3rd and August 4th of 2012. Our Church Endowment Fund has already granted \$6,000 to pay for the 25,000 manna meals we will be packing. We are all ecstatic and looking forward to a meaningful and spiritually rewarding experience.

The volunteers who have been directly involved in packing manna meals at the Aurora site know how important this ministry is for the hungry children of this world. They have seen the change that takes place in the body of a malnourished child when he is fed this nutritious meal. They have seen the happy faces of the children who have been nourished by the meals they have helped pack. The change is short of a miracle.

In preparation for the August Mini Mobile- Pack Mobile event, we ask you to consider starting a personal journey to support this ministry in the following manner:

- Praying daily for God's guidance in leading us to offer the mini-pack in our community.
- Praying that many people will hear the call and be ready to serve.
- Sharing this news with relatives, friends, co-workers and neighbors and inviting them to be a part of such an exciting ministry.
- Committing your time to work for the Mini-Pack Event on August 3rd (setting up) and /or August 4th (packing and cleaning up)

This coming May, Feed My Starving Children (FMSC) will start working with our Missions Committee in the organizational phase of this ministry. We trust that, with God's blessings, you will consider helping us to get the Mobile Mini-Pack ready to operate successfully.

Peace and Blessings,

Gladys M. Vergara
Missions Committee
Event 1208-98

Those who oppress the poor insult their Maker,
but those who are kind to the needy honor him. Proverbs 14:31
