

COUNCIL ON MINISTRIES

Purpose:

The Council on Ministries is composed of personnel and chairpersons from the committees that are responsible for the programming of our church's activities. Our purpose is to come together to set common goals that are in support of the ministries of the Faith United Methodist Church.

Objectives

- The Council on Ministries will help the congregation develop a spirit of Christian love by evaluating, developing and coordinating the total program of local church activities.
- The Council on Ministries will identify ministries needed to ensure that all in the congregation are included in the life of the church.
- The Council on Ministries will serve as a means of sharing ideas and information between committees. The chairperson will relate information to the Administrative Board.
