

Worship

- Maintains awareness of the needs and concerns of the congregation for meaningful worship and communicates these needs to the pastor
- Assists the pastor in planning of worship services throughout the seasons of the church year
- Provides for ushering, furnishings, appointments, and sacramental elements for worship
- Promotes adequate musical leadership and musical programming
- Recruits greeters, ushers and other essential worship participants
- Recruits liturgists as may be required for scripture reading during the service of worship
- Establishes standards for altar paraments, banners, etc.
- Convenes meetings and assures that a written record of actions and decisions is prepared.
- May compile an annual report for the all church conference.
