

Emergency Contact Information

We have had several medical emergencies at the church lately where the paramedics have been called. It has made us realize we have no contact information to give to a paramedic. If you choose to give Faith UMC **emergency information**, it will be kept in a binder in the church office. Only the pastors, staff, and committee chairs will have access to the information. It will be used only for emergencies.

If you wish to give the information, please complete the bottom of this form and give it to the office or Sandy Ward. Additional forms are available at the Connection Center. **Remember, this is totally voluntary.**
